

Learn About Lichens

Where : Fern Hollow Greenway

When: Tuesday, July 26, 2011

Time: 6:00 PM - 8:00 PM

Join Professor Matthew Opdyke of Point Park University on a lichen tour of Fern Hollow Greenway. The two hour walk will feature local lichens and moss species and what they live on (trees, rocks, logs, etc.)

Everyone is welcome and encouraged to attend, including your furry friends. Located just off Fern Hollow Road, adjacent to Sewickley Heights Borough Park, we will meet at the entrance of Fern Hollow at the top of the hill.
